

## PEARSON ENGLISH INTERACTIVE PLACEMENT TEST

*Pearson English Interactive* is an online four-level video-based, integrated-skills program for young adults, adult students, and professionals. The Pearson English Interactive Placement Test will accurately place students into one of the four levels of *Pearson English Interactive* (Levels 1-4).

These instructions provide an overview of the Placement Test, as well as detailed guidelines for setting up the Placement Test: registering students for a test (including the free student access code), assigning and administering a test, and using the final scores to place students in the right level of *Pearson English Interactive*.

### Overview

The Pearson English Interactive Placement Test is composed of seven sections and 25 items total. The skills tested include Listening (video and audio), Reading (a letter, an article, and a dialog), and Vocabulary. Students have 45 minutes to complete the test.

### Setting up the Placement Test

In order to use the Pearson English Interactive Placement Test, you must first set the test up as a "course" at MyEnglishLab.com.

Here are the steps:

**Step 1:** Go to [www.MyEnglishLab.com](http://www.MyEnglishLab.com) to register. Click on Register and you will see a menu of courses. Select the Pearson English Interactive course, click on Register, and type in your access code. You will then receive confirmation of your registration. If you are a first-time user, you will be asked to create a MyEnglishLab account.

[www.pearsoneltsupport.com](http://www.pearsoneltsupport.com)

**Step 2:** After you log in, you will see the following message: "You have not yet created a course. Click here to create a course." Click on "here" to create a course.

The screenshot shows the Pearson English Interactive dashboard. At the top, there is a navigation bar with "HOME", "COURSE", "GRADEBOOK", "MESSAGES", and "SETTINGS". A red arrow points to a message box that says: "You have not yet created a course. Click [here](#) to create a course. Please do not remind me again. ". Below the message, there are sections for "Courses" and "Assignments & Events". The "Courses" section shows a "PEARSON ENGLISH INTERACTIVE" logo and "PLACEMENT TEST". The "Assignments & Events" section has tabs for "To Do List", "Calendar", and "Recent Activity".

**Step 3:** You will be taken to a "Create new course" screen. Enter a name for your course on the left in the "Course name" box (for example, you can call it PEI Placement Test or the date of the semester—whatever makes sense to you). Choose your course end date. Then, select PEI Placement Test from the pull-down menu on the right, and click "Create course."

The screenshot shows the "Create new course" screen. There are two tabs: "Create completely new" and "Create based on another course". Below the tabs, there are three input fields: "Course name:" with the value "PEI Placement Test", "Course End Date:" with the value "25 Jun 2015", and "Product:" with a dropdown menu showing "PEI Placement Test". A "Create course" button is located at the bottom right. Red arrows point to each of the three input fields.

**Step 4:** At this point, the Course ID will be displayed. Note: Students will need the Course ID in order to join the group you've created. You can print a copy of this page for your students.

You have successfully created a course!

Please note, course sizes exceeding 50 students may impact on the performance of the course gradebook. To ensure optimum performance it is advised that courses of more than 50 students are split into smaller courses.

## Summary

Created courses:

Course name:	Course ID:	Product:	Course end date:

Access Code \*

ESSLPE-DROLL-DARIC-WITAN-LOBBY-GLEES

\* Required **Next** →

The screenshot shows the 'Register' page with a sidebar on the left containing a progress menu: 'Get Started' (checked), 'Product' (selected), 'Account', 'Review', and 'Confirmation'. Below the menu is a 'Change Language' button. The main content area has a blue header 'Register' and a sub-header 'Product' with a 'Help' button. The text reads: 'Check that the correct product appears below. If the product is wrong, go back and [enter a different access code](#), contact [Support](#), or [cancel](#) your registration.' Below this is a box titled 'Pearson English Interactive Placement Test, Student Access' with 'Student Access' listed underneath. At the bottom, there is a 'Back' button, a 'Required' indicator, and a 'Next' button with a red arrow pointing to it.

**Step 4:** If students do not already have a Pearson account, they will need to create one and should click on "Create." If students do already have a Pearson account, they should click on "Sign In." (Note: Students who already have a Pearson account can skip down to Step 8 after they sign in.)

The screenshot shows the 'Register' page with a sidebar on the left containing a progress menu: 'Get Started' (checked), 'Product' (checked), 'Pearson Account' (selected), 'Review', and 'Confirmation'. Below the menu is a 'Change Language' button. The main content area has a blue header 'Register' and a sub-header 'Create an Account or Sign In' with a 'Help' button. The text reads: 'Your account gives you access to Pearson products.' Below this are two columns: 'Create an Account' and 'Sign In'. The 'Create an Account' section says 'If you don't have a Pearson account, create one.' and has a 'Create →' button with a red arrow pointing to it. The 'Sign In' section says 'If you already have a Pearson account, enter your username and password.' and has input fields for 'Username' and 'Password', followed by a 'Sign In →' button with a red arrow pointing to it. Below the 'Sign In' button is a link: '[Forgot your username or password?](#)'. At the bottom, there is a 'Back' button.

**Step 5:** Students will then create an account. They will enter the information requested in the required fields and click on “Next.” On the next screen, students will verify this information and click “Finish”.

The screenshot displays the 'Register' page for creating a Pearson account. On the left, a navigation menu includes 'Get Started', 'Product', 'Pearson Account' (highlighted), 'Review', and 'Confirmation'. Below the menu is a 'Change Language' button. The main content area is titled 'Register' and 'Create a Pearson Account'. It states that the account provides access to Pearson products. The form is divided into two sections: 'Personal Information' and 'Account Information', each with a 'Help' button. The 'Personal Information' section includes fields for 'Email Address' (youname@youremail.com), 'First or Given Name' (your first name), 'Middle Name', 'Last Name or Surname' (your last name), and 'Institution' (your school). The 'Account Information' section includes fields for 'Username' (pei\_student), 'Password', and 'Confirm Password'. A checkbox is checked for 'I want to receive special offers and product information from Pearson'. At the bottom, there are 'Back' and 'Next' buttons, with a red arrow pointing to the 'Next' button. A 'Required' label is positioned above the 'Next' button.

**Step 8:** Students will then be taken to their home page. They will see the following message at the top of the screen: "You have not yet joined a course. Click here to enroll using information supplied by your teacher." Instruct students to click on "here" to join your course.

**Step 9:** Students will then be taken to the Settings page. Instruct students to click on "Join a Course." Then students should enter the Course ID and click on OK. The student will see a confirmation: *You have successfully joined this course.*

NOTE: You can verify if a student is enrolled by going to "Settings" and then "Course Management."

## Assigning the Test

Note: For security reasons, you must assign the Pearson English Interactive Placement Test. It will not be available to the student until you do.

**Step 1:** Select the "PEI Placement Test" course from your homepage. Then, click on "Placement Test" and then "Assign" next to Placement Test.

The screenshot displays the Pearson English Interactive web interface. At the top, the header includes the Pearson logo, the text 'PEARSON ENGLISH INTERACTIVE', a language dropdown set to 'English', and links for 'Help' and 'Sign out'. Below the header is a navigation bar with tabs for 'HOME', 'COURSE', 'GRADEBOOK', 'MESSAGES', and 'SETTINGS'. The user is signed in as 'Test Teacher'. The main content area shows the 'PEI Placement Test' course page. On the left, under the 'Units' section, there are three blue buttons: 'Teacher Resources', 'Getting Started', and 'Placement Test'. A red arrow points to the 'Placement Test' button. On the right, under the 'Contents' section, there is a 'Placement Test' entry with a checkbox and an 'Assign' button. A red arrow points to the 'Assign' button. The interface also includes a 'Student view' button and a 'Change course' dropdown menu set to 'PEI Placement Test'.

**Step 2:** Complete the entire page as follows. Then click on “Assign.”

- **Select students:** You have the option of assigning tests to individual students or to a group of students.
- **Set due date:** You can customize the date and time of the test. You can also disable the timer.
- **Assignment settings:** Leave this section as is. These selections do not apply to this placement test.

Correct use of capitalization is necessary for this question.

Check punctuation

When students are ready to take the test, they can open the test from their Home page under the "To Do List" tab.

As soon as students open the test, the timer will begin. When students are finished answering all of the questions, they will click "Submit" for the test to be auto-graded. If time runs out before students click "Submit," their answers will be submitted automatically.

**Scoring and reporting**

Once the test has been submitted, the results will be immediately available to both students and you.

## HOW TO TURN OFF THE GRADES IN THE GRADEBOOK

By default, the grade names (A, B, C, D, F) will appear automatically in the Gradebook, along with the percentage correct. If you do not wish the students to see their scores reported as grade names, you can opt to have only the percentage correct display. To turn off the grades names, follow these steps:

**Step 1:** Login as teacher and click on "Settings." Click on "Edit" next to your course name.

**Settings**

Course Management | My Groups | Personal Profile

Join a Course | Create a new course

Name	Course ID	Product	No. Students	Actions
PEI Placement Test	L5L5-vffj-3ci7-ygt2	PEI Placement Test	0	Edit

**Step 2:** Click on the "Grade Settings" tab. Uncheck the "Grade names will be displayed" box. Click "Save" to save changes.
